

Sahajanand Technologies wins Golden Jubilee Award'06-07 for Outstanding Work in R&D

"Sahajanand Technologies awarded with Golden Jubilee Award'06-07 for Outstanding Work in R&D in the field of advanced diamond manufacturing technology. Awards are presented every year by The South Gujarat Chamber of Commerce & Industry recognizing the excellence in various aspects of business."

Surat, India – 8th June'08 Sahajanand Technologies, India, the provider for diamond industry received the prestigious Golden Jubilee Award 2006-07 for Outstanding Work in R&D. The Golden Jubilee Memorial Trust Awards are presented every year by The South Gujarat Chamber of Commerce & Industry (SGCCI) recognizing the excellence in the meritorious performance in various aspects of business. The Awards were presented on 8th June'08 at the Annual General Meeting of SGCCI.

Sahajanand Technologies was awarded for extensive R&D work done in field of advanced diamond manufacturing technologies. Mr. Dhirajkumar Vasoya, MD, Sahajanand Technologies received the award from Mr.Gautam Adani, Chairman, Adani Group. In year 2006-07 Sahajanand Technologies had introduced the third generation of diamond planning machines. This third generation planning machine-The Magnus Pro- is an ultra advanced version of its counterparts & delivers the excellent productivity, performance & true return on investment for the diamond manufacturers. Other research works in field of productive diamond processing techniques were also considered for the selection of the award.

Upon receiving the award Mr. Dhirajkumar Vasoya, MD, Sahajanand Technologies, addressed his spirited team saying "Sahajanand Technologies has always been at the forefront of the Indian diamond industry revolution with world-class products built on leading edge technologies. We have been a pioneering force in the industry by product innovations that drive productivity with process improvements and cost effectiveness. This award is the recognition for this initiative that drives us. It has reinforced our ambition to continue be the best in the industry & be the only one doing it with complete in-house innovation efforts."

The Golden Jubilee Memorial Trust was established by the SGCCI to recognize businesses having excellence in production, planning, productivity, social welfare program, pollution control, energy conservation & others. The awardees are selected by a panel jury comprising eminent business personals, city elites & senior government officials. The SGCCI has been honoring the best promoters of the Trade & Industry since last 16 years.
